## 2017 SEAOSD Scholarship Announcement

The Structural Engineers Association of San Diego (SEAOSD) is pleased to announce the 2017 SEAOSD Scholarships. Undergraduate students from SDSU and UCSD who are studying and planning on pursuing a career in structural engineering are eligible.

### Scholarships will be awarded as follows:

- One (1) scholarship of \$1000 will be awarded to one student at SDSU
- One (1) scholarship of \$1000 will be awarded to one student at UCSD
- One (1) scholarship of \$2000 will be awarded to one university student at-large within the San Diego region

The criteria for selection will include academic achievement, involvement in the structural engineering community, leadership and a desire to pursue a career in the field of structural engineering. Students must also be official student members of SEAOSD which is completely free. If you are not a member or unsure if you are one, please include the attached membership form with your scholarship application. Students who wish to apply shall provide the following information, *in the order as listed*, to the noted representatives as indicated at the end of this announcement by **Tuesday, January 10, 2017:**

1. Resume. Provide experience, achievements and activities (please include phone number and e-mail contact information).
2. Transcript (an unofficial transcript is acceptable).
3. Letter of Intent (two pages maximum). Describe your interest in pursuing structural engineering and professional goals for after graduation.
4. Letter of Recommendation. Recommendation may be by engineering faculty or otherwise affiliated licensed professional engineer.
5. Membership application if you are not a SEAOSD Student Member.

The scholarship awards will be presented at our annual “**SEAOSD Student Night with Industry**” dinner meeting being held on **February 16, 2017**. The scholarship winners must be present at Student Night in order to collect their award.

We at SEAOSD are proud to continue our tradition of supporting local Structural Engineering programs and look forward to receiving your applications!

**Submit all applications to:**

SEAOSD Board and  
Chad Closs, S.E., Student Liaison
